ABOUT US:

We believe theater is for everyone! I'm a Star was created specifically for students of all ages with special needs. Our goal is to teach those students the creative process of theater. Through this process, the students become a part of a supportive community. They also build new skills and confidence through singing, acting and dancing.

STUDENT REQUIREMENTS

- The student must be adaptable to the group/classroom environment without unduly disrupting the quality of the experience for others.
- The student must regularly attend the class in which he/she is enrolled as this is not a drop-in program.
- The student must be free of conditions and behaviors that might not be manageable in a group setting including violent outbursts or behaviors (physical or verbal).
- The student must not need the constant one-on-one supervision by STAGES staff.
- The student must be able to eat and use the restroom independently. If the student is unable to perform these tasks without assistance, the studentt is responsible for providing his/her own personal caregiver as necessary.
